1. Standard Working Hours and Shift Schedules

The standard workweek consists of 40 hours, scheduled Monday through Friday from 9:00 AM to 6:00 PM, including a 60-minute unpaid lunch break. Flexible arrival times are permitted between 8:00 AM and 10:00 AM, provided the employee completes the standard 8-hour workday.

2. Attendance Tracking and Biometric Logging

All non-exempt employees must record daily attendance using the biometric terminal or digital HR portal check-in upon arrival and departure. Manual time adjustments must be approved by supervisors.

3. Grace Periods and Tardiness Discipline

A grace period of 15 minutes is allowed for morning clock-ins (up to 9:15 AM). Arrivals after 9:15 AM without prior notification are logged as tardy. Accumulating three unexcused tardy instances within a single calendar month will trigger a formal written counseling from HR.

4. Unscheduled Absence and Job Abandonment

If an employee is unable to report to work due to emergency, they must notify their supervisor and HR at least 1 hour prior to their shift. Failure to report for three consecutive business days without any communication is classified as Job Abandonment and results in termination.
