1. Comprehensive Health Insurance

The company provides comprehensive medical, dental, and vision insurance for all full-time employees and eligible dependents. The plan includes an annual maximum coverage of \$500,000 per member, with 100% preventive care coverage and a low \$25 co-pay for general physician visits. Mental health therapy sessions are covered up to 12 visits per year with zero employee co-pay through our Employee Assistance Program (EAP).

2. Retirement and 401(k) Matching

Employees become eligible for the 401(k) retirement savings plan starting on the first day of the month following 30 days of service. The company provides a 100% dollar-for-dollar match on employee contributions up to 5% of their total annual base salary. All company matching funds vest immediately upon contribution with 100% vesting.

3. Professional Development and Tuition Allowance

To encourage continuous technical learning, each employee is eligible for an annual professional development budget of \$1,500. This budget can be used toward professional certifications (AWS, GCP, PMP), industry conferences, textbooks, and approved online courses (Coursera, Udemy, edX). Prior manager approval is required prior to course enrollment.

4. Wellness and Gym Subsidy

Employees receive a monthly wellness stipend of \$60 to cover gym memberships, yoga studio passes, or fitness subscriptions. Reimbursements are processed automatically through monthly payroll upon submitting proof of active subscription.
